

Management Corner... Bryan Bradshaw

Dear Members,

A sincere and genuine “thank you” to all of the staff here at the club!

Members and guests are now able to enjoy a wonderful experience within the clubhouse as well as out on the golf course. The golf course is in great shape right now thanks to Tommy Moore and his staff. The Golf Shop is efficient, helpful & eager to satisfy the needs of all of our golfers! Thank you to Josh Brownell and his staff for their commitment to a pleasing experience for golfers! The restaurant and lounge have introduced some great new menu items and have produced some Five-Star Brunches for Easter & Mother’s Day. Thanks to Brian

Saemann and his staff for their commitment to excellence in customer service and food quality!!

In an effort to keep everyone informed, we have added yet another avenue for members/guests to keep up with all the events taking place here at the club!! Simply go to our website www.tegacaygolfclub.com and click on the ‘calendar’ tab in the upper right corner & then on ‘monthly’ view. From there you can now see a snapshot of the events scheduled here at the club! Please visit the site and check it out for yourself! As always, thank you for allowing us to serve you and your community!

From the Golf Shop... -Josh Brownell

The month of May saw some tremendous improvement in Turf Grass Growth. Mother Nature gave us both sunshine and rain, which promoted the Bermuda Grass growth. The golf course continues to get better and better with each passing week. Kudos to the Tega Cay Maintenance Staff.

Golf Outings gave the facility exposure to several new faces

throughout the month. Although, most golf outings in 2009 are smaller in numbers than years past due to harder economic times, the events are stepping stones to bigger events in the future. There were a total of eight different tournaments during the month. In each case the event has given verbal commitment to returning in the near future.

The golf operation continues to make necessary improvements to add value to our guests experience. We intend to continue this trend and place ourselves atop the list of the best daily fee experiences in the Charlotte region.

Please don’t forget to signup for the upcoming Member/Guest Event this month!!!!

PEAK Performer of the Month

Our PEAK Performer of the month of May was Ms. Charlotte Friel. She works in our F&B Department with a concentration on the successful execution of Events! She continually goes above and beyond her call of duty! She is a true asset to the success of Tega Cay Golf & Community Center. Please be sure to congratulate her!! From the staff at Tega Cay, thank you, Charlotte!!!!

Tennis @ Tega Cay

Keep checking our website for information on programs and activities scheduled for 2009. Teams are forming now for 2009 USTA spring leagues. Call the clubhouse (803) 835-0530 or email tennis@tegacaygolfclub.com if you are looking for a team or looking for players. Let's have another great year at Tega Cay Tennis!

Hey fellow tennis junkies! Are you a player looking for a team, or a captain looking for players? Now there's a way to connect with players and teams online. Simply sign or view My Guestbook at the new Tega Cay USTA News site at <http://www.geocities.com/tegacayusta/> or click on my link on the sidebar. You can also find links and other information about USTA and Tega Cay tennis programs at the News site. Don't find what you're looking for?

Golf Course Maintenance... - Tommy Moore

Golf Instruction...Ed Sehl

It is hard to believe that we are already in first days of June!!! I guess the old adage is true... Time flies when you're having fun!

We have laid the groundwork for a successful summer, and now it is time to start the countdown. Every year individuals in the golf course maintenance business in this part of the country get to the month of June hoping they were able to complete everything they wanted to get accomplished before the extreme hot temperatures of summer begin! At some of you already know and understand the next 120 days are going to be a challenge. However, the good news is we were able to get tees, fairways and green surrounds covered with a pre-emergent, and all of the Bermuda grass fertilized.

Some timely rains have Turf growth

moving so I guess it is time to just jump on and "enjoy" the ride. By the time this article is read, we will only have 115 days left of this heat and we will begin to see a glimmer of light at the end of the tunnel!

Finally, please be aware that we will begin aerifying the Bermuda Grass greens on the Cove in the coming weeks as well. We are looking forward to their continued growth and maturation!

Thanks again,

Tommy Moore

An Invitation From Ed Sehl

2009 can be the year that you develop into the golfer that you always wanted to become. The good news is there are a few fundamentals (1) Swinging in balance, (2) Maximizing the loft of the club through impact, (3) Rotating the clubface through impact, (4) Keeping consistent pressure against the shaft, and (5) Learning how to aim.

There is more good news -- you already have the eye-hand coordination to learn how to use the club properly. If you are a beginner or advanced, let me help you develop a plan to achieve your goals. There is no better way to enjoy our Carolina outdoors than being with friends on a golf course.

I invite you to check out the rest of this site. Then, if you would like to sit down with me and evaluate your interest in the great game of golf, email me ([Ed Sehl](#)) or call me (803-493-6417) and we'll schedule a visit. I know that together we can put a plan in place enabling you to utilize your eye-hand coordination to get the satisfaction you want from your golf – whatever your skill level.
