

**Tega Cay 2010 Men's Member-Guest
Saturday-Sunday June 18-19**

PLAY FROM THE WHITE TEE MARKERS.

USGA Rules of Golf apply with the following local rules.

- Format:** Four-Ball Match Play. Each player will receive 80% of their course handicap. The lowest handicapped player in the foursome plays scratch, his partner and opponents receive the full difference from his handicap as they fall on the scorecard.
- Matches:** There are three (6) flights each consisting of six (6) teams. Each team will play five (5) 9-hole matches, one against every team in their respective flight. Flight point leaders/winners will advance to the shootout. Points are awarded for each 9 hole match as follows: one (1) point for winning the hole and a half (½) point for tying a hole. A team can earn no more than 6-points per match. (Example: A team wins 7-2; the winner gets 6 points and the loser 2 points)
- Shootout:** The shootout will begin on hole #1 of the Grande View. After all players tee off on hole #1, teams will choose a ball and a pure alternating shot format will be followed from that point forward until a winner is determined. Teams will receive 50% of their combined team handicap. Strokes will be calculated and marked as if playing all 9-holes. Golf Committee will determine holes to be played in the Shootout. After the first hole no more than four (4) teams will advance. Ties will be broken by a chip off. If the final two teams tie for three consecutive holes a mandatory chip off will be held to determine the winning team.
- Lies:** Ball will be played down.
- Out of Bounds:** Defined by white stakes. Roads/Highways/Parking lots are out of bounds even if the ball comes to rest on another part of the course.
- Ground Under Repair:** Defined by white lines.
- Water Hazards:** Defined by yellow stakes or lines. Proceed to "Ball Drop" circles located on holes #1 and #9 of the Grande View for balls entering hazard.. Hole #3 of the Grande View "Ball Drop" circle located below teeing ground for balls entering hazard.
- Lateral Water Hazard:** Defined by red stakes or lines. Area to the right of fairway on Hole #4 of the Grande View is a lateral hazard. Proceed to the nearest "Ball Drop" circle, no closer to the hole.
- Distance Measuring Devices:** Under rule 14-3 the rules committee will allow players to use devices that measure distance only. However, any other device that measures wind or gradient/slope is not permitted under this rule.
- Obstructions:** None
- Ties:** In the event of a flight tie, the winning team will be determined by the outcome of said team's head to head match. If head to head match is tied: a one hole playoff will be held. If they remain tied, a chip off will determine the winner. In the event three or more teams tie in a flight: a one hole playoff will be held. If the tie remains, a chip off will determine the winner.
